An eight-foot silent salesman showcase for cigars, cigarettes and smoking tobacco has been installed at Stone's.

This improves the general appearance of the store and displays a large stock.

Rev. N. R. Pearson was in Augusta, Tuesday, attending the annual meeting of the Sunday School Association.

Mrs. Mary Edwards, who has been visiting at L. M. Longley's, the past two weeks, has gone to West Paris as house-keeper in a family there.

A farewell will be tendered to Rev. and Mrs. Olin B. Tracy at the Congregational Church, Friday evening, Jan. 21, at 8 o'clock.

After this long and arduous journey, the Rev. and Mrs. Tracy have been extended to all denominations in this vicinity, in fact everybody is invited.

Preparations have been made for a large gathering. Rev. and Mrs. Tracy have been coming during the first quarter with Hebb and Bridgton's forward, shooting to the tune of points.

After this landslide, Norway recovered poise and capped the lid on such antics. The game went fast, with plenty of hair raising action to delight a noisy side-line.

Norway cut the margin to a narrow strip, making a strong bid to the top perch.

Wintering in Dover

Mr. and Mrs. C. F. Herriek keep in touch with home folks through the Advertiser.
Just a word from Mr. and Mrs. Chas. F. Herriek, who are spending the winter months with Mr. and Mrs. Frank B. Herriek of Dover, N. H. Mr. Herriek is known in Norway as the Strawberry King and supplies Norway's leading markets with the finest of berries and early vegetables during the summer months.
Mr. Herriek considers his old home town of Norway as the ideal spot of the world, and he is in constant touch with all weekly happenings through the Advertiser, which arrives regularly, also he receives many letters from friends. As he is so busy these days, he wishes to take this opportunity of getting in touch with his many Norway friends also comparing the activities of the outside world with his old home town. Mr. and Mrs. Herriek are frequent visitors at Haverhill, Lawrence and Boston, Mass., where they have attended many popular events in both social and business welfare.
Although many miles from home, they occasionally meet friends from Norway. Ralph Andrews, former clerk at Jackson Greenleaf's has permanently established himself in Dover, also Dr. P. E. Drake is in Portsmouth, the adjoining city to Dover, and the Herrieks feel quite proud that Norway is so well represented in this vicinity.
"We often get some snappy items about Norway in the Boston papers, but we anxiously await the arrival of the Advertiser for the real news from home," remarked Mr. Herriek. Mr. Herriek regularly attends the many events as activities, while Mrs. Herriek is popular with the social affairs in and about Dover. The Herrieks are always glad to hear from their many friends at home and they will return in the spring, as soon as activities can be resumed at their farm at North Norway.

Mrs. Isabelle Hussey Has Radio—Child-
ren Have Whooping Cough—Real
Blizzard.
C. B. Whittman and son, Theodore, have been cutting wood for Frank Thore on his lot near the Chapel.
Mr. Sleeper, who has been stopping at Ned Cox's for several days, returned to Lewiston, January 11th.
Mrs. Isabelle Hussey was among the lucky ones at Christmas time for she received a fine four tube Radio for a Christmas present. She and Mr. Hussey, as well as some of the neighbors are enjoying some very fine programs picked up from various stations.
Mrs. Ellsworth Farnum and children are having the whooping cough, also Mr. and Mrs. Carl Austin's children. Cecil Heath had an ill turn last week also due to whooping cough.
Mr. and Mrs. Edwin Austin's baby has been very ill with whooping cough. A physician was called to see the child.
Everett Morse has been cutting ice for Geo. Hobbs and E. G. Farnum.
The first real blizzard of the winter struck us Sunday night. It was fierce while it lasted, but it soon blew itself out. However it brought out the shovellers and the breaking road team, Monday morning, and things are moving again as if it had never been.
No school, Monday, on account of bad weather.

SOUTH ALBANY

Coon Catches Libby's Hens—Snow Breaks
In Roof—Writer for the Advertiser,
Forty Years.
Saturday night, Harold Canwell and Ivan Kimball went after Jimmie Porcupine and had the good luck to secure one. Several others were located to be attended to later.
Merton Kimball and Clyde Millett of South Waterford visited at Merritt Sawin's last week, Sunday, Jan. 15.
W. E. Canwell, Harold, Edith and Beatrice Canwell called there the same day.
Della Libby was a caller there that day. Something wild seems like coon, entered Gardner Libby's henhouse and night, recently, and killed two hens. Some braan sacks were fastened over a small window and were torn away to give the marauder entrance. The hens were on a roost which was some feet above the floor, but Ray Coon was capable of the climb that brought him up to Mrs. Bid-
die. He was satisfied to take one and eat all, but must have been to get the choice bits he wanted most.
Ernest Brown killed a very nice pig last Friday, Merritt Sawin helped him.
Mr. and Mrs. Ezra Lebrake spent last Wednesday, Jan. 12, with her son, Ernest Grover, and family, at North Waterford, as it was Mrs. Grover's birthday.
Rev. Mr. Ball and Rev. Mr. Wentworth of North Waterford were calling among the people in this neighborhood recently.
Part of the roof of Mrs. Rose Eames' barn fell in during the recent rain storm. Some snow was on the roof at the time and rain made the load heavier than the roof could stand.
Saturday and Sunday gave us the worst storm for the season, a heavy snow storm with high winds made things lively. Don Brown braved the storm and drifts and, with his steers and sled, was out calling on the neighbors.
Mrs. Ernest Brown has received word from her niece, Mrs. Frank Pike, who is at St. Mary's Hospital, at Lewiston, for surgery. She is doing well, after an operation for appendicitis.
We are wondering if all Editors are as thoughtful of their correspondents as our Advertiser Editor. It seems that it was quite a task to remember us all with such a good word of 'Christmas cheer.' We have had nearly forty years of unbroken correspondence with the Advertiser and have always found him kindly and generous to all our mistakes. May it be many and many a year before he gives up his editor's chair.

Watch Elimination!

Good Health Depends Upon Good Elimination.

RETENTION of bodily waste in the blood is called a "toxic condition." This often gives rise to a dull, languid feeling and, sometimes, toxic backaches and headaches. That the kidneys are not functioning properly is often shown by burning or scanty passage of secretions. Thousands have learned to assist their kidneys by drinking plenty of pure water and the occasional use of a stimulant diuretic. 50,000 users give Doan's signed endorsement. Ask your neighbor!

Lesson for January 23

PRAYER IN CHRISTIAN LIFE

LESSON TEXT—Mark 1:35; 14:32-41; Matt. 6:9-13.

GOLDEN TEXT—Ask and it shall be given you; seek and ye shall find; knock and it shall be opened unto you.

PRIMARY TOPIC—Talking to God.

JUNIOR TOPIC—Jesus Teaches Us How to Pray.

INTERMEDIATE AND SENIOR TOPIC—Learning From Jesus How to Pray.

YOUNG PEOPLE AND ADULT TOPIC—What Jesus Taught by Prayer.

1. Jesus Praying in a Solitary Place (Mark 1:35).

After a series of most strenuous efforts Jesus retired to a lonely place to pray. He who the day before had shown His mighty power in casting out devils and banishing disease now needed to be alone with God. In order to do this He arose a long time before daylight. The very best time to pray is in the morning when our physical powers have been renewed. If the Son of God needed this time for prayer, this renewal of spiritual strength in communion with His Heavenly Father, how much more should we seek help by retiring to a solitary place.

2. Jesus Praying in Gethsemane (Mark 14:32-42).

In this time of crisis He took with him Peter, James and John.

1. The first prayer (vv. 35-38).

(1) His posture (v. 35). He fell on his face prostrate on the ground. In the hour of great need we naturally prostrate ourselves before God.

(2) His petition (v. 39).

"Take away this cup from me." The cup is meant His death on the cross. No doubt it was most grievous for Him to face this shame, but He pressed on, knowing that for this cause He had come into the world (John 12:27, 28, cf. Heb. 2:14).

(3) His resignation (v. 39).

His will was in subjection to the Father. He knew that His death on the cross was the will of God, that Father, for He was the Lamb slain from the foundation of the world.

(4) The disciples rebuked (v. 37).

He singled out Peter since he had been the most conspicuous in proclaiming his loyalty (John 13:28).

(5) Exhortation to the disciples (v. 38).

"Watch and pray lest ye enter into temptation." The only way to be able to stand in the time of trial is to be watching and praying.

2. The second prayer (vv. 39, 40).

He withdrew the second time from the disciples and uttered the same words in prayer. This was not vain repetition. It is proper to repeat our requests. He found the disciples asleep again. Their shame and confusion were more marked than at first.

3. The third prayer (vv. 41, 42).

He uttered the same words in the third prayer (Matt. 26:44).

He tells the disciples to sleep and take their rest as the hour has now come for His betrayal. They were such a thing as being asleep when wanted and awakening when it is too late. If the disciples had been praying they would not have fallen asleep.

III. Jesus Giving a Model Prayer (Matt. 6:9-13).

This model was given in response to the disciples' request that they would teach them how to pray (Luk. 11:10). It is not therefore the Lord's prayer, but the model prayer for the disciples. It involves:

1. A right relationship (v. 9).

"Our Father." Only those who have come children of God by faith in Jesus Christ (Gal. 3:26) can pray aright. One must be a child of God before he can be in communion with God.

2. A right attitude (vv. 9, 10).

"Hallowed be Thy name." When one realizes that he has been delivered from the power of darkness and translated into the kingdom of His Son (Col. 1:13) by being made a child of God, he cannot help pouring out his soul in gratitude and praise, intensely longing for the kingdom, the righteous rule of Christ to come to the earth.

3. A right spirit (vv. 11-13).

(1) That of trust which looks to God for the supply of daily bread. We are to ask Him for our daily food. With all man's boasted progress he cannot make a harvest. The marvels of modern chemistry are insufficient for this.

(2) That of love which results in forgiveness of others. God will not listen to the prayer of one who has an unforgiving spirit.

(3) That of holiness which moves one to pray not to be led into temptation and longs to be delivered from the evil one.

"Soiled" Language

The language of some men is so "soiled" that it seems a proof that they were formed of the soil—King's Business.

WEST FRYEBURG

Helen Hutchins Returned to North Conway—School Closed, Wednesday.

Helen Hutchins has returned to her work in North Conway.

Fred Hutchins and family were guests of P. W. Seavey and family, recently.

Our school closed, Wednesday, and the teachers, Miss Cross, went to her home in Portland, called by the serious illness of her grandmother.

Quite a few in the place have been sick with the grippe.

Kate Hill has been moving to Elmer Walker's, where she expects to stay the rest of the winter; she is now spending a week or two in Whitefield.

EAST SUMNER

Former Sumner Woman Travels Long Distance and Selects California as Her Destination.

Mrs. Lydia J. Willey, whose maiden name was Miss Sturtevant, was born in the year of 1849, here in Sumner, at what is known as Foster's Corner, spending her younger days in her home town, then going to Paris, Maine, and later she was married here in Sumner. After living in Paris for a few years, she went to Cambridge, Mass., living there for more than fifty years, breaking up housekeeping in August, 1926.

Commencing her long trip, first going to Westbrook, Mass., stopping there with relatives for a few weeks from there she came here to Sumner to visit her sister, Mrs. Charles B. Tuttle, also her niece, Mrs. Flora Bowker, of South Paris. From South Paris she went back to Westbrook, Mass., stopping there for a few days, going from there to Alberta, Canada, a distance of three thousand two hundred and thirty miles by auto, stopping on their way at Niagara Falls, where they were allowed the opportunity of going through the mammoth plant, the home of shrouded wheat, which is a modern and very busy place.

She arrived in Alberta in September, intending to stop there for only two weeks but the morning they were to start for California, this was in September, and you, there was ten inches of beautiful snow upon the ground which caused them to stop over for one week; from there, going to Los Angeles, California, while upon the way they were obliged to stop at a lone cabin for three days on account of an awful freshet causing the river to rise to such a pitch that it was impossible to use a ferry boat.

Arrived in Los Angeles in October, safe and sound, they hired a furnished bungalow where they now reside. Mrs. Willey knows it as a lovely country, although in a letter dated to Mrs. Tuttle, Dec. 29, 1926, she said they were having a very cold, rainy spell of weather and water was freezing in their yard, and that California is all sunshine, but I know better.

Total distance of this trip was five thousand five hundred and twenty-five miles, all by auto, and how remarkable that Mrs. Willey could be favored with good health so that she could enjoy everything along the way, considering that she is seventy-seven years of age, she was accompanied upon this long journey by her daughter and husband, Mr. and Mrs. Elmer Morrill.

GILBERTVILLE

Rundlett's Visit Daughter—Mrs. Gurney Visited in Hartford.

Mr. and Mrs. Chas. Rundlett of Roxbury were recent guests of his daughter, Mrs. C. G. Allanchan, and family.

Mrs. Doris Gurney visited her mother, Mrs. Bessie Holland, in Hartford, Saturday.

Mrs. Iva Deane, Mrs. G. Albert Ellis and son, Eugene, were in Lewiston, Friday.

Arthur Newton was home from Portland over the week end.

Miss Gladys Conant, who has been confined to the house with the grippe, has recovered.

Mrs. G. A. Ellis and son, Eugene, were in Rumford, Wednesday.

Edith and Jean Allanchan, who have been very ill with whooping cough, are recovering nicely.

Debbie Gurney has been working for M. Waite.

Mr. and Mrs. Ambrose Deane are boarding with Mr. and Mrs. G. Albert Ellis, while Mr. Deane is working as night operator in the M. C. R. Station.

Glendon Hutchinson is sick.

DENMARK

Aunt Anna Allen Gaining—Still Harvesting Ice—Lumbering On Boston Hill.

Mr. and Mrs. Henry Bartlett were Wednesday visitors at the home of his daughter, Mrs. Minnie Trumbull.

Aunt Anna Allen, who was near having pneumonia, is better and we all hope she will be around again soon.

The farmers are all trying to harvest their ice, but the Saturday night snow will make it hard for them as we had snow enough before that came.

Waldo Tripp is hauling the cream for Hiram Creamery, collects twice a week.

Algie Jewett, who went to South Paris to spend the winter with their daughter, Flossie, is reported as getting along fine.

The neighbors are all hoping he will be back when it comes warm again, in the Spring.

Ralph Bean has his horse teams over on Boston Hill, hauling boards for the winter.

Mr. Fickett, the cattle man, has been here the past week, buying cattle and hogs.

Lee Jack has his mill set up, down on his father's lot, sawing timber for him, and boards with them.

John Keizer's housekeeper, who has been away for a short time, returned this morning.

There is a number of the school children home, sick with bad colds and coughs.

OXFORD STATION

Road Breaking—Ida Noyes in South Paris—Harvesting Ice.

Fred Staples' brother is driving team for him for a while.

Several inches of snow fell, Saturday night and Sunday and the wind blew all day, Sunday, so it made drifts. The road breaking crew broke out roads Monday.

Ida Noyes was sick, Monday, and unable to attend school.

Reply to Mr. J. Kazbek

By C. F. Whitman of Norway

I was much interested in the article in last week's Advertiser by Mr. J. Kazbek, contradicting my statement of Germany's world war.

Unfortunately for his argument, his statements and conclusions do not coincide with the facts and conditions.

For instance, when at the Arms Conference, at Washington, it was decided that the proportion in the size of the fleets of the United States, Great Britain and Japan should be 5, 5 and 3, for the countries in the order named, it is certain that Great Britain and the United States meant to get along in harmony without war and to work together for the peace of the world. Now let us consider the conditions existing in the nations of Germany, France and Great Britain, just before the opening of the war and we can see certain conclusions which they forced upon the judgments of mankind.

Germany had a population of say 60,000,000, France of 40,000,000. In material wealth and prosperity, Germany was more than twice that of France. In war power, which it had been building up for more than a century, while France was recovering from the war with Germany of 1870-1 and paying its enormous contribution required by Germany with loss of two of its provinces.

It could not, therefore, be expected of going to war alone with Germany and did not. The condition France was in, settles the question of its being any menace to Germany. When France was in the state of her brother, Judge Snow, of Biddeford, has been brought to her daughter's, Mrs. Carleton Fox's; she is confined to her bed and is having serious trouble, and she is in it as it is hoped as the season advances she will recover her vitality.

The lower floor of the Cummings tenement, corner Main and Whitman Streets, is to be remodeled for an auto salesroom, and office to be occupied by Getchell's Real Estate and Insurance Agency. Rooms upstairs will be arranged into a convenient tenement with electric lights and other modern conveniences. This building has an historic setting for in one of the rooms Sylvanus Cobb, Jr., wrote "The Gun Maker of Moscow." If we are not mistaken, Eugene N. Sweet has the Cobb writings kept in office at the E. N. Sweet Shoe Co. It is said the manuscript was penned on the desk.
Will Leavitt, with setting pole and basket, looks like Father Time coming out of Orchard Street. Flowing locks and long beard would make it perfect.
